The use of different email address than those mentioned above or a delay respect to the deadline, as well as the only use of ordinary mail service, will not ensure the correct submission of the proxy.

2. Specify the capacity of the proxy signatory and, where applicable, attach documentary proof of his power.
3. To be completed only if the registered shareholder is different from the proxy signatory; mandatory indications on relevant personal details must be included.
4. Provide the securities account number, Bank Codes and Branch Codes of the Depository, or in any case its name, available in the securities account statement.
5. Reference to the communication made by the intermediary and its name.

7. Provide the name and surname of the signatory of the Proxy form and Voting instructions.
8. Pursuant to article 135-undecies, subsection 3, of Italian Legislative Decree no. 58/1998, “Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders’ meeting. With regard to proposals for which no voting instructions are given, the shares of the shareholder concerned are not considered in calculating the majority and the percentage of capital required for the resolutions to be carried”.
9. The resolutions proposed to the shareholders’ meeting, which are briefly referred to herein, are reported in the Reports published on the company website www.autogrill.com. Computershare S.p.A., as Appointed Representative, has not personal interest or on behalf of third party in the proposals mentioned, however, in the event of unknown circumstances or in the event of amendment or integration to the motion presented to the meeting, Computershare does not intend to vote in a manner incompatible with the instructions received in Sections A and C.

The Appointed Representative shall vote on each motion in accordance with the instructions and the delegating party shall give instructions consistent with the type of proposals (alternative or complementary) published.
11. In the absence of a proposal from the Board of Directors or other proposal published subsequently and reported in the instruction form, the Appointed Representative will be called to approve a proposal from those presented at the meeting by the President on behalf of the proposing subjects. Therefore the voting instructions are collected by the Appointed Representative in Section C as the only expression of vote on the proposals presented by the subjects indicated therein. The voting instructions provided in relation to the different characteristics of the proposers indicated in Section C may also be identical to each other but bind the Appointed Representative to cast the vote only if the proposer has the characteristics indicated in the correspondent instruction. In the case of several proposals submitted by various subjects holding minority interests not previously disclosed and not reported in the instruction form, the Appointed Representative will not be able to cast any vote.
